## The Pdraig Randolph Story

As told by his parents

Jason & Amanda Randolph

We are the Randolph Family. My name is Amanda, and I was born and raised in Kansas. My husband, Jason, is originally from the wild and wonderful state of West Virginia. Jason and I met while he was in the military, stationed at Fort Riley. We got married in 2006 and started our new life together. In 2007, we were blessed with a beautiful baby girl named Scarlett Grace. To our surprise, just three short months after she was born, we found out we were expecting again. Another shocker came at an early prenatal appointment, where the sonogram tech saw an echo that she mistook as baby #2. After a couple weeks of wide eyes, we found out we were expecting only one baby. That was definitely a funny experience. Two weeks after our Scarlett turned 1 year old, our family felt complete when our son, Pdraig Clayton, was born. We were excited to welcome

4-8-08 to 5-21-08

our new little boy to the family. We had it made, a beautiful little girl and a handsome boy. One would think after experiencing the joy of giving birth to your first child, having another baby couldn't compare. In our experience, when Pdraig was born, it was an overwhelmingly joyous moment. Scarlett was so excited to be a big sister. She loved helping us take care of her little brother, from taking diapers to the trash to trying to share her snacks. You could tell she was

proud of her little brother. We felt as though our family was perfect and we were on top of the world.

Our perfect world came crashing down on the morning of May 21, 2008, when we woke up and our little boy did not. After all was said and done, they told us we had lost our son to Sudden Infant Death Syndrome. We cannot explain in words how this made us feel. It was as though our son had been stolen away, and we had no explanation of how or why. Our family and friends tried hard to support us through this unimaginable time, but really, what could they say or do to make anything better? Just days after Pdraig passed away, we received a grief packet from the SIDS Network of Kansas. I was still in a state of shock and couldn't even bring myself to look through the packet. A couple weeks later, a postcard came in the mail inviting us to the Salina grief support meeting. This is where we met Christy Schunn, Executive Director of the Kansas Infant Death and SIDS Network (formerly SIDS Network of Kansas). The Network was our life raft in the middle of the ocean. I could call no matter what the situation or question I had. When I needed the facts or just someone to talk to, the Network was there. Jason and I knew that we wanted to continue to grow our family and in 2009, we welcomed our younger son, Murphy Lee. We knew we wanted more children, but you can imagine the fear and mixed emotions that came into play. The Network was there to reassure us

The kids and I at Step Up 2011

and help us through this time. Today, we are blessed to have our wonderful daughter, Scarlett Grace, our angel, Pdraig Clayton, and our younger son, Murphy Lee. Our family is extremely grateful for the support we have received from the KIDS Network; they have helped us through the hardest time of our lives. Through them, we have connected with so many families who have been through such a tragic loss. Some have been there for us, and we have been there for others. Every day we deal with the loss of our son and want to help in any way we can to spread awareness about sudden infant death and to help others affected by this tragedy. We are grateful and honored to be a part of the KIDS Network family and serve as the 2013 Step Up for KIDS Ambassador Family.

Pdraig's Zoo Picnic 2011  
Every year around Pdraig's birthday we have a celebration Picnic at Rolling Hills Zoo where we had a tree planted in memory of Pdraig. This is some of our family and friends in front

Thank you to everyone who helped with the Super Bowl party and the Crown Royal Quilt! We raised \$886.33 for the Kansas Infant Death and SIDS Network. It means the world to have so many amazing people support this important cause. The Network would especially like to thank Danelle Wrampe-Mauch for her energy and work on this event.

**Kingdom Jam****CrossRoads Church in Salina, KS****Contemporary Christian Music Festival  
and KIDS Benefit in memory of Zane D. Bowell**

On Sunday, January 13, 2013 at CrossRoads Church, in Salina, KS people gathered to listen to music and support the Kansas Infant Death and SIDS Network. It was fun for the whole family.

Bands playing were Main Event, Higher Praise, CrossRoads band, NorthPoint, Anthem, Dry Creek Revival, Paul Draper, LifeHouse Band, and E-2:8. This was the biggest crowd ever...in the 300 range. Next year will be bigger.

Thanks to Eric, Melissa, Kerry and Ron Bowell for hosting Kingdom Jam 2013. The Zane Bowell Memorial raised over \$800 for grief services and SIDS research.

Thanks to all the great bands who played Kingdom Jam this year. If you weren't there you missed some really good music. Thanks to all those who worked the doors and provided support. Thanks to the merchants and individuals who donated food and prizes. It was a really great day. I'm already looking forward to next year. Mark the second Sunday in January on your calendars for 2014. God bless you all.

# Network News

**Wichita Community Baby Shower for Safe Sleep**—Thank you Wichita Black Nurse Association and the March of Dimes for partnering with the KIDS Network to host a community baby shower on February 16, 2013. Over 120 expectant mothers and their support people were present to learn about safe sleep, prenatal care, preterm labor, pregnancy and infant health. Each expectant mother received a portable crib, SleepSack™ and other information to provide the safest sleep environment for their infants. Our thanks to the various community organizations and volunteers for their generous support for the Community Baby Shower for Safe Sleep.

**Medical Society of Sedgwick County Physician's Safe Sleep Toolkit**—The Medical Society of Sedgwick County (MSSC) Physician Safe Sleep Taskforce is compiling a toolkit of local and national resources to be provided to obstetrical and pediatric health care providers in Sedgwick County in order to improve patient care. Two main components of the toolkit are: 1) a Safe Sleep Assessment Tool patient questionnaire regarding key items from the American Academy of Pediatrics' Safe Sleep recommendations, and (2) a Script for Addressing Parent Concerns regarding safe sleep distributed by the National Institute of Child Health and Human Development (NICHD). The toolkit will also include a Safe Sleep DVD, links to national resources, and list of local resources. The intention of the toolkit is to provide clinics with a variety of resources to act as a buffet for each clinic to choose those most appropriate for their infrastructure.

**Thank you to Kansas Gas Service, a Division of ONEOK, Inc., The March of Dimes and Amerigroup**—Grant were received for the Medical Society of Sedgwick County Physician's Safe Sleep Toolkit. The safe sleep toolkit as described above aims to improve infant mortality by promoting healthy behaviors and practices among infant caregivers so that more Kansas infants grow to be happy, healthy Kansas kids. This project will be in collaboration with physician offices that specifically serve low income, high risk families throughout the State of Kansas.

**Governor's Conference On Public Health**—The KIDS Network will present, *Wrestling with Safe Sleep*, at the Governor's Conference on April 30, 2013. The presentation will address how providers educate parents and caregivers about safe sleep practices. Who and what influences them. The workshop will address the tensions of the safe sleep message—pacifier use, sleep position, bed sharing and swaddling. We will discuss the implications of providing a preventative message after a family has experienced infant loss and identify community resources to assist the educational process. Course objectives are as follows: 1) To understand the latest SIDS research and the American Academy of Pediatrics safe sleep recommendations 2) To identify barriers to safe sleep practices 3) To brainstorm messages that promotes the safest sleep environment. To register go to: <http://www.kpha.us/events?eventId=627443&EventViewMode=EventDetails>.

**Candle Light Memorial**—Thank you to everyone who participated in the 13th Annual Candle Lighting Memorial, Sunday, December 9, 2012. Over 200 people attended, traveling from all over Kansas and several from neighboring states. We are grateful for the number of volunteers for generously donating their time and energy.

## Dawn

By Emily Elizabeth Dickinson

Not knowing when the dawn will come  
I open every door;  
Or has it feathers like a bird,  
Or billows like a shore?

## Absence

By Elizabeth Jennings

I visited the place where we last met.  
Nothing was changed, the gardens were well-tended,  
The fountains sprayed their usual steady jet;  
There was no sign that anything had ended  
And nothing to instruct me to forget.

The thoughtless birds that shook out of the trees,  
Singing an ecstasy I could not share,  
Played cunning in my thoughts. Surely in these  
Pleasures there could not be a pain to bear  
Or any discord shake the level breeze.

It was because the place was just the same  
That made your absence seem a savage force,  
For under all the gentleness there came  
An earthquake tremor: Fountain, birds and grass  
Were shaken by my thinking of your name.
