Medical Society of Sedgwick County Physician Safe Sleep Taskforce goes International

Attendees of the International Conference on Stillbirth, SIDS and Baby Survival held in Amsterdam in September heard four presentations describing safe sleep education projects underway in Wichita.

“Several of the leading SIDS researches attended and asked pertinent questions during our sessions,” said Christy Schunn of the Kansas Infant Death and SIDS Network. “This is a real honor for Wichita and the physicians and professionals who have dedicated themselves to this MSSC initiative intended to improve infant mortality rates in our community,” said Donna Sweet, MD, 2014 MSSC president.

The four leaders active in the local initiative detailed the following projects during the Amsterdam conference:

Changing the Paradigm regarding Safe Sleep Education in an Obstetrical Clinic — Zachary Kuhlmann, DO of Associates in Women’s Health discussed the process of embedding safe sleep education into his obstetrics group practice.

Hospital Initiatives to Promote and Model the American Academy of Pediatrics’ Safe Sleep Recommendations — Stephanie Kuhlmann, DO described a bundled intervention project implemented at Wesley Medical Center to promote safe sleep to families before and after delivery.

Physician Toolkit to Promote Consistent Messages Regarding Safe Sleep — Cari Ahlers-Schmidt, KUSM–Wichita, discussed the taskforce’s physician toolkit and paper checklist designed to promote consistent safe sleep messages that was tested at five Wichita resident physician clinics in 2013.

Community Baby Showers to Promote Safe Sleep — Christy Schunn, Kansas Infant Death and SIDS Network, outlined the success of community baby showers hosted by the KIDS Network, in partnership with the Wichita Black Nurses Association, the National Association of Hispanic Nurses and KUSM-W residency clinics, to promote safe sleep to families who might not receive the education from traditional sources.

The taskforce also has successfully published manuscripts on these projects in several publications, including *Clinical Pediatrics* and *Journal of Community Health*.

Wichita Community Baby Shower for Safe Sleep

Thank you Wichita Black Nurses Association and the March of Dimes for collaborating with the KIDS Network to host a community baby shower on October 18, 2014. Over 100 new and expectant mothers and their support

people were present to learn about safe sleep, prenatal care, preterm labor, pregnancy and infant health. Each new and expectant mother received a portable crib, SleepSack™ and other information to provide the safest sleep environment for their infants. Our thanks to the various community organizations and stellar volunteers for their generous support for the Community Baby Shower for Safe Sleep.
